

Year 8 Remote Learning Plan – Term 4, Week 3

This plan outlines what work has been set for you each day. Teachers are available on MS Teams  at the listed times only to help with the work and with using the online platforms. If you need to ask a question outside of these times, please email your teacher.

Students working from home can choose what order to complete the work each day in line with any household routines and to support families that need to share devices. **All completed work needs to be submitted by Friday of each week.**

Check your student emails regularly for updates and links to pre-recorded assemblies.

How to use this plan:

The icons listed on your timetable are all links  to the MS Teams for each subject. Simply click  on the icon and it will take you to the MS Teams group for that subject. Once there, you will find instructions on the work your teacher has set for you to complete. This will be available to access all week.

Lessons showing a  icon have a live online meeting – please join with your microphone muted. 

Need extra help?

OPHS has an online learning hub available for Year 8 students on MS Teams.

Here you can speak to Ms Shea and Ms Steph for additional support, during school hours.
