

Dear parents and carers

A big thank you for your continuing efforts in supporting our school and students during the pandemic – especially prioritising safety and learning.

The Premier and Minister for Education have announced changes to school settings for the remainder of Term 1. These updated settings were developed in close consultation with NSW Health and key stakeholders to ensure we continue to keep our schools open for learning, while keeping up with changing community settings.

The updated settings include:

- We will continue the use of rapid antigen tests (RATs) for twice-weekly testing of students and staff until Friday 25 February. More tests will be provided to those families who require them in the coming days.
- From Monday 28 February, we will move to symptomatic testing. Tests are to be used at your discretion such as if your child is symptomatic or there are cases in their class.
- Beyond that, students and staff can access PCR tests or buy their own rapid antigen tests as these are now freely available and accessible in the community.

Masks will continue to be required indoors for all school staff, volunteers and visitors including parents and carers, and students in secondary schools until Friday 25 February. From Monday 28 February, masks will no longer be mandatory for students or staff. However, those who wish to continue to use them will be supported to do so.

PARTNERS IN LEARNING

Oran Park High School

NSW Department of Education
oranpark-h.schools.nsw.gov.au

- In line with community settings, workers who support our students with disability in SSPs, support units and some mainstream classrooms will be required to wear masks while working with students.
- From Monday 28 February, visitors can be allowed back on school sites regardless of their vaccination status. Our school will consider activities such as assemblies, parent-teacher meetings and other gatherings in the coming days. We will let you know if these can proceed with our school in a COVID-smart way. All visitors are asked to follow our usual sign-in and sign-out process.
- As of Monday 28 February, students will no longer be required to be kept in year groups or other cohorts and we will no longer be required to use staggered start or finish times.

Our school will continue to ensure our layered COVID-smart measures are in place, including vaccinations, maximising natural ventilation in learning spaces, continued good hand hygiene practices and enhanced cleaning.

Thank you again for your continued support during this school term.

Regards,

Brad Mitchell

Principal
