

23 March 2023

Dear Parents/Guardians,

On Tuesday 4th of April during period 1, we will be hosting an assembly featuring a special guest speaker, Olympic clay shooter Suzanne Balogh who has achieved remarkable feats in her sport.

The focus of this presentation will be on resilience, strength, and leadership. Our guest speaker will share their personal experiences and the lessons they have learned throughout their journey to becoming an Olympian. They will inspire our students with their stories of overcoming challenges, pushing through adversity, and persevering through difficult times.

This assembly is an excellent opportunity for our students to learn from a real-life example of success and to gain valuable insights into the qualities that are necessary for achieving their own goals. We believe that this presentation will help to inspire and motivate our students to reach their full potential and to become the best versions of themselves.
